SlimLine Design

The slim design of only 711 mm width allows placement in the smallest space.

SoftLift drum ribs ensure gentle fabric care

The SoftLift drum ribs allow laundry to be dried gently and evenly.

PerfectDry System

The PerfectDry system consistently measures the residual moisture of the laundry, thereby achieving precise drying results - even when the water quality differs widely.

Perfect Anti-Crease

The laundry is tumbled regularly after the end of the program to protect it from creasing.
