

Speed Queen®

Canadian Model Only
For Sale in Canada Only

COMMERCIAL DRYER

Coin-Equipped, Featuring Mechanical Controls

180°-WIDE-OPENING, SIDE-SWING DOOR

The door features a wide opening for easy loading and unloading and swings 180° to either side, giving optimal flexibility in any space.

FOUR-ROLLER SUSPENSION

The commercial-quality four-roller suspension delivers quality drying.

GALVANIZED CABINET

Built from commercial-grade, heavy-gauge metal, the galvanized cabinet stands up to traffic in busy commercial laundry environments.

FULL WRAP CONSOLE

The full-wrap metal console is easy-to-clean and protects internal components from unexpected liquid spills or vapor.
